

USE[®]

catalogue 2026

Made
in Europe.

Thirty years ago, USE began its journey as a manufacturer of home organisation and household products. Since then, the company has experienced continuous growth, achieving significant milestones throughout its history.

We have always been defined by our commitment to developing distinctive products, with a strong focus on design.

A clear example of this can be seen in the product ranges launched during the first decade of the 21st century, where we embraced innovation in product decoration through screen-printing techniques.

Later, the establishment of an industrial design office marked a decisive step in product development, enabling us to expand and

diversify our range over recent years.

At **USE FAMILY**, we remain committed to continued innovation, delivering practical solutions that make everyday living at home easier.

A collection of beige bamboo kitchen items is displayed on a light-colored surface. The items include a rectangular grater with a handle, a circular lid, a rectangular soap dispenser with a white pump, a rectangular basket with a handle, and a large, curved, shallow dish. The items are arranged in a scattered pattern, with the soap dispenser and basket in the foreground and the grater and lid in the background.

The background of the advertisement features several orange plastic storage items. In the upper left, there's a rectangular container with a lid that has a grid of small holes. Below it is a circular lid. To the right, a large, curved container is partially visible. In the center, a rectangular container with a white pump dispenser is shown. In the bottom right, another circular lid is visible. The entire scene is set against a light, neutral background.

The image features a variety of green plastic recycling components. In the foreground, there is a rectangular green bin with a perforated side and a white push-button on its lid. To its left is a circular green lid. Above the bin is another green bin with a similar design. To the right, a large green lid with a handle is visible. In the bottom right corner, another circular green lid is partially shown. The entire scene is set against a light green background with a subtle halftone dot pattern.

The background of the advertisement features several yellow plastic storage containers. In the foreground, there is a rectangular bin with a white pump dispenser on top. To its right is a large, curved container with a handle. Above the bin is a small circular lid. In the top left, there is a rectangular container with a textured surface. In the bottom right, there is a large circular lid. The overall scene is set against a light gray background.
